Instructions:

- 1. Fold the drawing sheet in half horizontally
- 2. Draw the object as shown at the top of the viewing page
- 3. Unfold and copy all your lines onto the faint image.

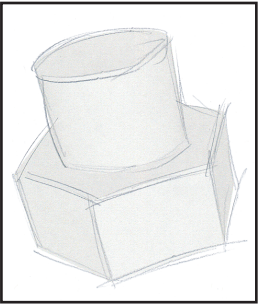

Drawing Guidelines:

- Take your time. We don't expect you to finish all the sheets.
- Use strong, dark, smooth lines
- Try to represent the shape as faithfully as possible
- Be especially accurate and careful when copying
- When copying, place your lines as close as possible to their originally intended locations
